ACTION ITEMS

ITEM 4 – THE HOLMGREN HOUSE – MAA 03-001

Applicant: Vincent and Margaret O'Hara

Location: 10037 Ward Lane; La Mesa, Ca 91941

Description: The Holmgren House, constructed in 1948 above Lake Helix, was one of San Diego County's first postwar modernist residences. It is a fine early example, representative of architect Lloyd Ruocco's work with large interior open spaces, redwood construction, glass walls and, most importantly, its integration into the natural setting. A large granite boulder actually intrudes into the dining room.

Today's Action: Recommend approval of the Mills Act Contract and place this resource on the Local Register of Historic Resources.

Staff Recommendation: Recommend approval of participation in the Mills Act, historic designation and place this resource on the Local Register of Historic Resources.

ITEM 5 – LIVE OAK PARK, FALLBROOK

Applicant: County of San Diego, Department of Park and Recreation

Location: 2746 Reche Road, Fallbrook, CA 92028

Description: Live Oak Park has 16 round concrete tables and 7 large rectangular concrete tables. Eric Hindorff made 17 of the tables, some in each design, in the early 1920's. All of the tables made by Eric Hindorff originally had plaques in the center dedicated to the people who donated the money for construction of the tables. The round Hindorff tables and plaques still exist and all but one of the rectangular tables and plaques exists.

Today's Action: Recommend approval of historic designation and place this resource on the Local Register of Historic Resources.

Staff Recommendation: Recommend approval of historic designation and place this resource on the Local Register of Historic Resources.
